Rwanda Revenue Authority would like to inform the general public that there are companies and individuals who sell forged Electronic Billing Machines receipts for unknown transactions with the intention of evading Value Added Tax (VAT) and income tax.

It is in this regard that we request every business person not to cooperate with these non compliant companies attached to this announcement.

In addition, we call upon all taxpayers who must have bought such illegal receipts to declare them to Rwanda Revenue Authority and provide information concerning those who are involved in that bad exercise.

Kind regards,

TUSABE Richard
